Re: Auto Allowance

As requested in prior years, we must identify the value of your employer-provided vehicle that is to be included on your 2020 W-2 as a fringe benefit. As you know, the value of that fringe benefit is based upon the percentage of total miles driven that would be considered personal mileage as opposed to business mileage.

Please provide the total miles driven during the last year. Also, provide the percentage of time in which you used your employer-provided vehicle for personal use in 2020 on this memo and return by **November 23, 2020**. Thank you!
